- All-new 2018 Range Rover Velar, the fourth member of the Range Rover family, will be on display alongside the new 2018 Range Rover Sport plug-in hybrid
- Also on display, the Jaguar E-PACE compact SUV joins the expanding Jaguar lineup, alongside award-winning F-PACE, the brand's best-selling vehicle

(MAHWAH, NJ) – February 6, 2018 – Jaguar Land Rover will showcase more than 12 vehicles from its expanded product lineups at the 2018 Chicago Auto Show, held from February 10 to February 19 at McCormick Place in Chicago. Vehicles on display include the Jaguar brand's newest performance SUV, the 2018 Jaguar E-PACE, and the all-new 2018 Range Rover Velar.

The Jaguar brand will display vehicles from its expanded 2018 model year lineup, including the Jaguar XE sedan, XF Sportbrake station wagon, XJR575 super sedan and the F-TYPE 400Sport sports car. The Jaguar F-PACE, winner of two 2017 World Car of the Year awards, will also be on display alongside the all-new Jaguar E-PACE, the newest member of the growing Jaguar SUV family.

Land Rover will display its premium SUV vehicles including the unrivaled 2018 Range Rover Velar and the 2018 Range Rover Sport P400e plug-in hybrid. The luxurious 2018 Range Rover Autobiography, Range Rover Evoque Special Edition, 2018 Land Rover Discovery, and the Land Rover Discovery Sport HSE will also be featured on the stand.

2018 Range Rover Velar

Revealed earlier in 2017 at the London Design Museum, the all-new Range Rover Velar is the fourth member of the Range Rover family positioned between the Range Rover Evoque and Range Rover Sport. The Range Rover Velar offers exceptional levels of luxury, refinement and all-terrain capability to mid-size SUV segment buyers.

The Range Rover Velar and Velar R-Dynamic comprises of four selectively available specifications including Standard, S, SE or HSE, with three powertrain options. Options include a 180HP four-cylinder Ingenium diesel engine, a 247HP four-cylinder Ingenium gasoline engine which enables acceleration from 0-60 mph in just 6.4 seconds¹, and an even more powerful, 380HP supercharged V6 gasoline engine.

Featuring the Jaguar Land Rover Lightweight Aluminum Architecture, the Range Rover Velar represents the next chapter of the brand's success story. The Velar is defined by a visually reductive approach and meticulous attention to precision in every detail; this helps evolve the Range Rover DNA and previews the next generation of Range Rover vehicles.

2018 Jaguar E-PACE

The Jaguar E-PACE is a five-seat, compact performance SUV that packs the design and performance of a Jaguar sports car into a practical and connected all-wheel drive vehicle.

Jaguar driving dynamics and design put the brand's sports car DNA in a practical design, packed with advanced technologies to keep you connected. The E-PACE is the newest member of the Jaguar SUV family, joining the all-electric I-PACE Concept and the brand's best-selling vehicle, the Jaguar F-PACE.

The E-PACE is available with the choice of two 2.0-liter turbocharged Ingenium gasoline engines. The flagship 296HP Ingenium engine powers the sporting SUV from 0-60 mph in just 5.9 seconds¹ before reaching an electronically-limited top speed of 152 mph.

The Jaguar Land Rover booth is located in South Hall of the McCormick Place convention center, located at 2301 S King Drive, Chicago, IL 60616. The show runs February 10 - 19; for a full list of hours, directions and additional information, please visit <https://www.chicagoautoshow.com/>.

About Jaguar Land Rover

Jaguar Land Rover is the UK's largest automotive manufacturer, built around two iconic British car brands: Land Rover, the world's leading manufacturer of premium all-wheel-drive vehicles; and Jaguar, one of the world's premier luxury sports sedan and sports car marques.

The company employs over 40,000 people globally, with 330 in the U.S. and supports around 275,000 more through our dealerships, suppliers and local businesses. Manufacturing is centered in the UK, with additional plants in China, Brazil, India and Slovakia.

At Jaguar Land Rover we are driven by a desire to create class-leading products that deliver great customer experiences. The largest investor in R&D in the UK manufacturing sector, we have invested £12 billion (USD\$15.7 billion) in the last five years and in the current year alone will spend over £3.5 billion (USD\$4.5 billion) on new product creation and capital expenditure. Last year Jaguar Land Rover sold over 583,000 vehicles in 136 countries, with nearly 80 percent of our vehicles produced in the UK being sold abroad.
