

INDOOR TEST TRACKS

Requirements for participation vary with each manufacturer.

Camp Jeep

In 2022, Camp Jeep's "Mountain" will be 28 ft. (versus 18 ft.). Obstacles include ground clearance stair climber, maneuverability moguls, extreme break-over, tunnel pass-through, hill ascent/descent, off-camber and 30-degree banked wedge. Each Camp Jeep participant will also receive a complimentary Jeep tote bag, while supplies last.

Ford Built Wild

'BUILT WILD' showcases the capability of Ford's new Bronco family of vehicles. The highlight is a Bronco off-road course, where visitors will tackle a 38-degree Bronco Mountain, where visitors will tackle a 38-degree Bronco Mountain. You'll feel the thrill of the climb while learning more about impressive Bronco tech like G.O.A.T. (Goes Over Any Terrain) Mode capabilities and technology that makes off-roading even more exciting and intelligent.

Ford Built to Electrify

Be one of the first to experience Ford's new all-electric F-150 Lightning or take a spin in the Mustang Mach-E GT or all-electric F-100 Eluminator Concept. This indoor display will thrill passengers as they make the loop with professional drivers.

Ram Truck Territory

Ram Truck Territory track is a 28,000-sq.-ft. adventure designed to demonstrate the capabilities of the Ram Truck. Obstacles include steel culverts and a high banked wedge. Riders will also experience hill descent technology on the iconic "Ram Mountain," a 13-ft. high, 30-ft. long course element with 30-degree approach and departure angles.

Toyota Proving Grounds

Tackle Toyota's rugged Proving Grounds in the all-new 2022 Toyota Tundra. Obstacles include an articulation rack showcasing Tundra's high-strength boxed, steel-ladder frame, and fully redesigned multi-link rear suspension; various low-grip surfaces designed to showcase the off-road capabilities.

Electric Vehicle Track

Thanks to a partnership with Powering Chicago, the 2022 Chicago Auto Show features a battery-powered electric vehicle test track that will allow attendees go for a ride in some of the latest battery-powered electric vehicles. BMW and Kia will provide rides for attendees in the i4, iX and EV6.

OUTDOOR TEST DRIVES

- Level 1 West Lobby

Sign up in manufacturer booth or in West Lobby. Requirements for participation vary with each manufacturer. All require a valid driver's license and breathalyzer to drive.
