

INDOOR TEST TRACKS

CAMP JEEP - In 2023, Camp Jeep's offers a 28-foot "Mountain," ground clearance stair climber, maneuverability moguls, extreme break-over, tunnel passthrough, hill ascent/descent, off-camber and 30-degree banked wedge. Each Camp Jeep participant will also receive a complimentary Jeep tote bag, while supplies last.

FORD BUILT WILD - 'BUILT WILD' showcases the capability of Ford's Bronco family of vehicles. The highlight is a Bronco off-road course, where visitors will tackle a 38-degree Bronco Mountain. You'll feel the thrill of the climb while learning more about impressive Bronco tech like G.O.A.T. (Goes Over Any Terrain) Mode capabilities and technology that makes off-roading even more exciting and intelligent.

FORD BUILT TO ELECTRIFY - Be one of the first to experience Ford's all-electric Mustang Mach-E GT and F-150 Lightning. This indoor display will thrill passengers as they make the loop with professional drivers.

HYUNDAI TRACK - Auto show attendees can experience the IONIQ 5 first-hand while visiting the Hyundai booth (must be 18 years or older to participate). After registering for the drive, participants will be driven by a professional driver around the course highlighting the vehicle's awarding winning features.

RAM TRUCK TERRITORY - Ram Truck Territory is a 28,000-sq.-ft. adventure designed to demonstrate the capabilities of the Ram Truck. Obstacles include steel culverts and a high banked wedge. Riders will also experience hill descent technology on the iconic "Ram Mountain," a 13-ft. high, 30-ft. long course element with 30-degree approach and departure angles.

TOYOTA TEST TRACK - Toyota presents "An Electrified Drive For All Seasons" ride and drive course at the 2023 Chicago Auto Show. This four-seasons-themed demonstration area will provide passenger-only access to Toyota's hybridized vehicles, including Prius, RAV4, Sienna, Sequoia and Tundra.

ELECTRIC VEHICLE TRACK - Thanks to a partnership with ComEd, the 2023 Chicago Auto Show features a battery-powered electric vehicle test track that will allow attendees go for a ride in some of the latest battery-powered electric vehicles. Participating manufacturers include: BMW, Cadillac, Chevrolet, Nissan and Volkswagen.

OUTDOOR TEST DRIVES

(Sign up in the manufacturer booth, requirements vary with each manufacturer. All require a valid driver's license and breathalyzer to drive.)
